While I am flattered by your confidence in me, I am in Region 6, so I do not think I would be the appropriate POC for Region 4... you should contact Gary Andrew, who I have cc: to help you...

David and John, I should've copied you earlier on my question regarding EPA's Mission Assignment. For now, we put Steve Mason's name as POC for EPA's MA. Is that correct?

Good Afternoon, EPA partners:

We are assisting Bob Haywood, Region IV FDRC to prepare for Mission Assignments for the five RSFs and potentially USDA and EPA for the FL Irma incident. Ms. Carol Didden is preparing the MA scopes and budgets for processing.

Can you identify the most appropriate POC for Carol as she prepares these important documents?

Thanks!

Steve Oliver

Stephen,

Would you mind reaching out to EPA to find out who should be on their MA's for DR4337-FL?

Unfortunately, EPA is not on your chart that you shared.

Thanks,

Carol

Here is the document I recreated for the use as described below. I am awaiting approval to place it inside the Draft MA for EPA.
